“ I worked with your father at DuPont. He trained me in the mill room and bagging room. I always thought the world of him. I will never forget his little purple bag he always carried his goodies in. He would often share them with me at break. He gave me a \$2.00 bill one year for my birthday. I put that in my wallet and have carried it in there ever since. It will never get spent. So sorry to hear of his passing, my prayers are with you all.

“ Yvonne and I would like to extend our sincere condolences to Mattie and other surviving members of Paul. We have missed seeing Paul and Mattie at our regular meetings of the Railroad Retirement group that all four of us were members of (Unit 41, NARVRE...National Association of Retired and Veteran Railway Employees). Both on behalf of Yvonne and myself, and, as President, on behalf of our Unit, our sincerest sympathy is extended to Paul's entire family. He was truly a special and kind person.
