“ My sweet Paula, I knew you for 17 years and the one thing I truly loved about you was that you were such a beautiful human. You never let anything bother you and you always made sure that no one took my light away. You were always so positive about life. Listening to you talk about your daughter and how proud you were of her and your grandchildren. The energy you brought into work always put a smile on my face. Our meetings at the Waffle House I will never forget with all the love and hugs. I will miss you so much and I will always remember that you told me to never let anyone steal my joy. My prayers go out to your family. Love always, Gail Scarlott

“ I will miss Paula's pleasant smile, beautiful personality, and friendship we developed. Paula was a very loving person and I could go on and on. May God bless her family to be strong and remember that earth has no sorrows that heaven cannot heal.
