“ Peggy was one of the kindest people I'd ever met. Always approachable, gentle and warm. I would make up reasons to talk to her at work just to get a dose of decency/sanity in an otherwise chaotic day. It was my joy to know her.

“ Addressing a message to a person's loved ones usually means family and close friends. In Peggy's case, that group would seem to include everyone with whom she has come into contact. "Friend to all" is not an overstatement. My hope is that recalling Peggy's warm, reassuring tone in conversation serves as a source of comfort to her loved ones as they grieve her loss.
