“ Thank you to all who have left words of encouragement and thoughts on Peggy. I was having a "moment" the other day and I started looking at her old yearbooks from KSU. Peggy insisted that I keep all of yearbooks from when she started at KSU in 1953 to when she left KSU to move to Louisville. Lots of books. I can remember her speaking about each and everyone of you that posted a message. I hope you check back soon and get my message. Thank you so much. Debra Fowlkes, Peggy's niece.
