“ I'm very sorry to learn of your loss. I worked with Perry at UofL Hospital for many years. He was always great to work with; always patient and calm. May God bless and comfort you and your family. John 14:1-4 Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going.
