“ Picked out of all the rest to be one of God's Angels. Precious Kaden, rest easy in peace and I will see your face soon. Auntie's perfect little boy. You will live in my heart forever. You have bonded our families and drawn us closer. To my little brother Kevin and sister that I've gained, Jade; I love you both and just know he was so special and so perfect and pure that God, our father saw fit to take him home to glory. He was and always will be a Angel. I pray your strength in the Lord and may you both find comfort in his arms.
