“ *I worked with Phifia at Labcorp and have not known him long but he will truly be missed. Although no words can really help to ease the loss you bear, just know that you are in my thoughts and prayers. I admired Phifia for his strength of character and his faith. I will continue to be inspired by the actions he took and the things he said while he was with us. He will live on in my memories.*

“ Phifia told me that if someone saw you arguing with a fool....they wouldn't know who the fool was! What a wise Brother! Thanks Phifia for loving children and supporting youth the way that you did. Your Brother in Christ Calvin McDaniel...I'll see you around the throne.

“ Family, Memories of Phifia will be treasured. He was a very kind, faithful, dependable, passionate man. He was a leader in Sunday School, whose assistance I valued. May you continue to hold onto God's hand.

“ Phifia was my friend for over 30 years. He inspired me in so many ways; including my professional and business life. He was a tireless activist for justice, and fought hard against racism and injustice in this city. He loved and cared deeply about the well-being and success of his Venture program (kids) with Boy Scouts of America. He talked about how proud he was of them all the time. He touched so many lives in his short time on earth, and I, as well as many others will miss him dearly. And to my sister Sheila. Be strong, and know that your brother is with God now, and God will help you get through this most difficult time.
