“ Words cannot convey the feeling of loss of such a dear friend. There are so many wonderful memories of times spent with Phyllis. Phyllis always marched to her own beat and that is a trait that everyone admired. Phyllis loved adventure and was never afraid to try something new. Phyllis was a great mother to Tiffany, Tonya, and Brian. Phyllis deeply loved her friends and family. One of my biggest joys of each day was having lunch with Phyllis and our long conversations and laughter. If there is ever anything that I can do to assist her family in this very difficult time, please do not hesitate to let me know. I look forward to seeing Phyllis again in the other world without sickness and pain. Love, Stan & Inga Bush

“ I am deeply sorry to learn of the death of your mother, Phyllis. When I last saw/spoke with her (Xmas.2013) she was feeling down but not out - my prayers have been with her since for continued strength which she exhibited for so long. May she now rest in peace and may God be with you her family.
