Wow. I don't know what to say. John has the electric wheel chair you gave him, and will always cherrish it. I remember when i said man i wish i had some rally frys. " Girl i got about 4 bags of them in the freezer. Come on now. (You was not playing). We miss you, and you are a person that Johnny made clear. " Ty hes a great dude. Thats all I'm going say." Great dude." When i mention/mentioned your name the first words that he says. As if if you look the name Quentin up in a dictionary= a great guy. A real dude.(John voice). Thanks for everything.
