“ I only got to know Jock for a few months but the memories we shared will last a lifetime!!! He was the best friend everyone wished they could encounter. I pray for peace to his family. When i read my poem at his funeral, i felt his presence and a big relief overwhelmed me. He's with God and all his loved one. I do believe he made into those gates. God could never deny such a beautiful soul. May God continue to heal each and every one who is hurting off Jocks departure. We Will Meet Him Again
