“ *Bernice: I'm so sorry for the loss of your daughter, If you need to talk with someone, I'm available, Love & Prayers
When Great Trees Fall”
by Maya Angelou*

*And when great souls die,
after a period peace blooms,
slowly and always
irregularly. Spaces fill
with a kind of
soothing electric vibration.
Our senses, restored, never
to be the same, whisper to us.
They existed. They existed.
We can be. Be and be
better. For they existed.*

“ I, remember meeting you and all your sisters through your granny, Ms. Watts years ago. I, do remember you were young and you look just like your sister, Rhonda. All, of you favor, of course, however, I haven't seen you in awhile and I was hoping to see you and your family for an event I'm currently planning in the near future including all the families. You, and your sisters were so nice and friendly. Ramona, you will be greatly missed and RIH, cousin.
