“ *Mr. Ray you were a phenomenal man. You produced 3 of the most beautiful and God-fearing women I call my friends to this day. You were funny, charismatic and witty all the times that I saw you. I've never seen you frown. My prayers and thoughts go out to your beautiful wife, daughter's, son, grandkids in this time of bereavement. May God continue to watch over them in your absence.*

“ To our Uncle’s family,

Please accept our deepest condolences on the loss of Uncle Kevin. Although our families only recently discovered one another, we are grateful that our father had the opportunity to know of and possibly connect with Kevin and other members of the Ray Family before he passed away in 2012. That knowledge and connection meant a great deal to him and to our family.

Our thoughts and prayers are with all of you during this difficult time. May you find comfort in the memories you shared with Uncle Kevin and in the love of family and friends who surround you.

With Sympathy and Respect,

The Family of Robert Pope
