“ *Knew Ray for more than 50 years. A friend and confidant that stayed in regular contact over the years. We went through many adventures and events together over the years with our children and significant others in our lives.*

*He loved my mom's cooking almost as much as me!*

*Always smiling with a big heart and a conversation for anyone.*

*To his brother, sisters and children I am sending up prayers for you, and know from me that he is and will be missed.*

*Be blessed and stay safe,*

“ The few years I got to know Ray b4 I left for Louisiana were like a life-long friend. I left in J an '81 and came home every Derby. Somehow each time I would see that smile. It was always like a "ray" of sunshine to me. Thanks, Ray, for letting me in.
