“ Stephan, Gerald Andre', Bria & Brothers; I miss your mother, your grandmother, and my friend so very much. I knew her before any of you; that empty space Ray left behind can be filled by each one of you in my heart. I loved her, too. My little sister moved away after we shared 50 yrs.of friendship, but my memories will last forever. I am thankful, Ray got well enough to FLY & be with the LORD.

“ God bless u the family of Ray. I'm so saddened to hear of her passing. She fought as long as she could. A very sweet person and I enjoyed working with her at the Main Library until she retired. R.I.P dear sister, God has your pain now and is keeping u. A beautiful flower in the Garden.

“ Momma Ray! Struggle to find the words to describe how much I will miss you, but I'm Relieved to Know that you are pain free & with the Lord.Im Reminded how you Used to Go to Bat for me as a young man, so I know without a Doubt that you will continue to Speak into my Situation from above.Momma Ray Rest Easy, for you Taught us All Well as a Perfect Example of an Angel...you showed how to Love Unconditionally with Depth & without Grudges.Some People Change from time to time depending on Current Company but Not You.. you were ALWAYS the Same....that Constant Rock of Hope, Love & Encouragement. You Showed Us All the Power of Love.In these days to come We will try to be Joyful while Remembering that God Only Lends his Angels to us for a while, before they return to him.I will look for your face & embrace at the end of my days...until then We will keep you in Our Hearts.Momma in closing, I know how Proud you are of Stephan Radford & Gerald Radford & Bria, you prepared them well for the next Chapter in this thing we call life...and they will be fine. I Promise. Also You Raised so many of us Boys other than your own...(Troy Henderson, Langston Moore, Tilford, Archie Jackson, Michael Romaine and others) We will remain close and we are Thankful for You.Lastly, your Home-going Service was as Beautiful as Your Beautiful Spirit...and I'm Convinced that God granted us a Beautiful Sunny Winter Day to Celebrate your Life, for the days Surrounding Saturday Jan.4th seem to be Somewhat Challenging...(wheather-wise)Nevertheless, We Felt the warmth of your Smile in the "Ray of the Sun."I Love & Live you Momma Ray...see you when I get there.1ofRaysBoyz.....Ju#THEYDONTMAKEEMLIKE Ray Radford ANY MORE.

“ *Andre, I was devastated to hear of Ms. Ray Marie's passing. The ironic part is that I spoke to her a few weeks ago. She remembered who I was. She sounded as sweet as she did 20 years ago. I will keep you and your family in my prayers. She will be truly missed. God bless you*

“ Prayers and condolences to the family. Time passes by so fast. As teenagers listening to your brother and the band playing in the back yard and dreaming of what we would do whenever we "got grown". You were a beautiful and free spirit then and you are now. I enjoyed talking to you a year ago and catching up on what happened to all the neighbors and kids from back in the day. Rest sweet spirit! You will be missed , but not forgotten! Children, You had a wonderful Mother.

“ We laughed and talked on Christmas about how blessed we were
About our family and loved ones who had all gone on before

You were so joyful and grateful to see another Christmas day
Because we knew we are not promised to live forever, but you had
no dismay

God allowed you one last time to see your family and friends
A delightful time to share with all of your kin

So God saw fit to call you early in 2014
No need to suffer the world anymore, your spirit he redeemed

So I have no need to worry, as I know exactly where you are
You have joined your new family far beyond the stars!

“ To the family, Knowing Ray Marie for over 45 years, my last meeting with Ray Marie was at Bates where she was supporting her granddaughter. She still had that great smile and although we had grown older, God's presence was with her. May you know that she is safely in God's loving arms. May God bless and keep all of you.
