“ *Ray was a very special man and the love of my life. I am thankful to God that in my Golden years he blessed me with someone who loved me like this man did. I am heartbroken that my time with him was cut short but I know God is in control. I am thankful for being loved so well by him and for all the memories that we shared. There will not be a day that passes I won't think of him or long for his presence in my life. Rest in peace my love until we meet again.*

“ *One of the hardest working employees we had. It won't be the same. Prayers for the family and friends. I know he'll be missed at LG&E.*
