“ *I (and my siblings) grew up listening to Ray and my Dad, Dave Klingman, play together. My father liked nothing more than to sit in with Ray at Jack Fry's (or any where else)! I loved to listen to Ray's voice, and his laugh; both were so comforting. I loved to watch he and my father play and listen to one another. I believe it was pure joy for them both. We all loved and respected Ray. Praying for peace in his absence.*
