“ I was honored to know and work with Kathy for many years. She loved people and passionately followed her call in KY. She was always, always for the least. God rest her soul. James Williams, Lexington, KY.

“ Alexis, my heart is heavy with your loss. I've been where you are now. Family, friends and co-workers may say they are there, but I know who will and can be with you during this difficult time for you. Put your trust in him, and he will give you peace, strength and comfort. I am available if you need me.
Love, Ms. Karen/ Hoti

Bird's End

*Like a rocket to the ground it came
Just a rustle, then a fall
So high above on soaring wing, and then was all*

*For the end came to the lovely bird amidst the sunny sky
It was time for it to go, the time for it to die*

*May I live with burst of life until that day for me
When it is time for me to go, my Savior so to see*
