“ Rhonda dear you don't know how many people you have touched. We have been friends almost 20 years. We had a conversation just the other day about retirement, rest easy my friend, you will be missed but God don't make a mistake! I know we'll understand it better by and by. To the Garnett and Mathies families you are in my prayers that the Lord will continue to comfort you and keep you!

“ My friend, Karen, (the entire Garnett and Mathies Families) there are no words to ease your pain. I Love your entire family!!!! I'm so thankful for your friendship and the love and kindness that you and your entire family have shared with me and my son, LaVon Cook. Anthony and Danielle, you both are the "Apples of your Mom's eyes". She loves you both and is proud of you both and your families. Rhonda is a loving daughter, loving sister, loving Mom, loving aunt, loving grandmother or Nana, and friend (just to name few titles). Rhonda is a remarkable woman. God's Blessings are overflowing. She made be apart from us physically, but her Love will live on forever in each one of us that she has touched. God's claimed another special Angel to be by his side until we meet again. I Love you all so very much. Hold on to your faith and each other. Love, Julia and LaVon Cook

“ Rhonda was my Team Leader in paint. She took me under her wings from my first day at Toyota & continued to do so even after she was promoted to another position. I will always remember our conversations & all the advice that she gave me. I can still hear her voice in my head saying "hey lady, how are you" when I saw her the day before she passed away. She had the most beautiful smile & was such a loving person. I will miss her so much. I give her family my condolences & prayers.

“ Such a beautiful lady. She was a great neighbor and friend. I know that words can't ease the pain, but memories will sustain you in the days to come. The memories of events, and moments captured in time will surface and ease your aching hearts. Praying that God will embrace you in your hardest moments and warm you with those wonderful memories.
