“ I’m extending sincere condolences to you, Deanna, and the entire family. You’ll miss him, but you have the memories of him as a brother, a father and a grandfather. Those of us who were his classmates and friends will have the memories of him as “Rick”, a happy, fun-loving person, a confidant, a chum or a crony. However he is categorized, he will be fondly remembered. Love you, my brother, and will keep you in my memories.

“ I will always remember "Rickey" as a very warm and special friend. I never remember seeing him with a frown on his face because he had one of the best smiles I have ever seen. The world has lost a very special person.

You will truly be missed.
