“*Memories i can name manyyy! My favorite was when we was kids most pure hearted children ever! When tag// hiding go seek in every house mama an nitra moved too! Sliding between washer an dryers, jumping over each other, packing in the same hiding place an taking off as a group b/c we was like that LOL . From playing hard , tackling an rolling all over the floor! From sitting up on bunk beds playing the game! To growing up feeling deeply misunderstood an having to reassure each other we can get on track. Like reminding ourselves we not bad we just needed lil mo guidance. To seeing through what the world thought. For keeping strong in our weakest moments! Mane ima miss my cousin dawg! Reflecting on ever conversation to every memory! Forever on Family! I love you!*”
