“ I bowled with Ben for years in different leagues & on the same team on Wednesdays for several years. I also bowled some tournaments with him. I hated to hear that Ben had Alzheimer's or dementia and was no longer going to be able to bowl, as I know how much he loved his bowling. I'm glad that i was able to see him in person at Kean Samuels' memorial service some months ago. So many people in the bowling community knew & loved Ben, and we will all miss him dearly. I offer my sincerest condolences to his family & friends.

“ Mr Ben as I always called him was a good dude. He was so much fun to be around and could always make me laugh. He was a godfather and a friend. Rest in peace Mr Ben and I will always remember you cutting my hair, singing in the choir, cookouts at the house and so much more. My love to the family and all of you are in my prayers.
