“ I just can't believe you left us so fast, I wasn't ready for this and I still ain't ready but God said get ready cause this is it, It's time for my angel to come home. Just three weeks ago I was coming over helping you out and joking about us having twin hover rounds to go shopping, We can't question God decisions so I dare not ask why so fast just except that it was your time. Even though you was my aunt you was more like my sister. I love you so much and will miss you dearly. Now I have 2 guardian angels to watch over me Aunt Fats and you, until we meet again rest in peace my love.
