“ Thank you for choosing to love me when you didn't have to. You never ever tried to replace anyone, but you became a father in every way that mattered instead. Your lessons, love, and spirit will always be part of me. I am going to miss you overcooking the greens for Thanksgiving. I am going to miss you answering the phone with a "yellow" instead of hello. I am going to miss you saying, "the thing of it is". I am going to miss seeing you at the security checkpoint at the airport when Dani and I would come in town. May you rest peacefully.

Love always,

-Calisha
