“ Ron you was like a son to me. You always kept Lyric your princess as you would call her in line when you was together. We shared so many memories through out your high school years even after.. You been around for so long you was just like having Deron around.. Jaz always fighting with you and you telling her that you know she loves you. Because nobody can resist your lovable smile. I think of that smile every day. I just wish you would of came to the house that day.. But god had different plans.. you will be missed. But I know your up there watching over everyone you loved because that's the kind on man you was. I am glad I was able to be in your life so was Lyric ,Deron and Jazmin let's not for Ruru. We love and miss you so much.. gone but will never be forgotten..
