“ My condolences to the family, I am out of town and will not be able to attend the service.

I worked with Ron for many years. He was my sidekick at work in the Food Section. He was a hard worker and had a great sense of humor. We had some great times together. In the old days we helped transport and set up the Hazardous Material Program "Road Show". Ron was a great cook and loved working on refurbishing old furniture. He was also a pretty good artist. His mother was a wonderful person also! God bless and prayers!
