“ Dear Dr. Ron Marshall, Jr. and family, The 1 year anniversary of losing your dad is almost here. How time flies by. I'm sure you're still in disbelief that he was taken from you so quickly and that he's actually gone. The numbness is still there. I speak from experience but don't dare try to put words in your mouth. I just wanted you all to know I was thinking of you and my heart goes out to you all. Much love, Lisa Burkhead.

“ Randy and Sandra & Family, I am so very sorry for the passing of Ronald. I have been attending noon bible study at First Virginia Ave. for a while and your brother and his wife were always there. I just did not know he was your brother or I would have been in both their faces. The noon bible study participants are sending an arrangement in his honor. I love you and I am praying for all of you!

“ We loved you but God loved you best. You touched a lot of people with your presence while you were here and now it is time to take your rest. My heart will forever be broken but I had the pleasure of knowing you and that was both a prize and a token. It is hard for me to type as the tears currently roll down my face but I know without a doubt that Heaven is your new place. I will not say goodbye because this is not the end but I will say see you soon until we meet again.
