“ To Vivian and Family, I have worked with Vivian at Kroger in the Highlands since 2002. Mostly up in the front end. I have answered the phone many times to hear one of her sweet parents ask for her, just to let her know what the mid day lottery numbers were or for her to play some numbers for them. Her Dad was her world since she was 2 years old. Vivian, I will not be able to attend the visitation since I will be working that day. But I have been and will continue to pray for her and the Family. Love you, Vivian!!
