“ Dearest Kimberly and family, Daniel and I are saddened to hear about your loss. We send our heartfelt condolences and lots of love from across the miles. We reflect on our time at the family reunion and are so blessed to have had a chance to spend time with such a beautiful soul. His smile lit up the whole room when he walked in and he had a huge impact on us during our short time together. There are some people who you only get the privilege of meeting once, however, that chance encounter will last a lifetime for us. May you find solace in the knowledge that you are not alone in your sorrow, and that you can draw strength from above to guide you through these challenging moments. May God continue to bless you and your family.

*With Love from Knoxville, TN

“ *My dear friend and brother, my heart is heavy but I rejoice in knowing you are with the Lord! How selfish of me to want you on this side for just a little while longer to add to the many memories I will forever cherish. On behalf of Phillip, Uriah, and myself, we are and will be eternally grateful for your guidance, protection, and your ear during our time of loss. God works in mysterious ways and He knew that only you could be the one to deliver such a powerful eulogy of love that you gave on Jeffrey's behalf at his memorial service, thank you. To Kim, such a beautiful lady whom I had the pleasure to meet years ago and has not changed since day one and to the children/adults, we offer our prayers, support, and love for you now and always! God will keep and sustain you and he will forever be in our hearts. Thank you Rev for a lifetime of cherished memories.*

May God's abiding presence sustain you and fill your heart to overflowing joy. I love this family, I met Dr. Reverend Rosby Latel Glover in the second grade . We join the marathon to become second grade scholars. It was a race Rosby made sure the homework was done. I can go on and on I am going to pause now if I live right, treat folks right, stay with my JESUS we will meet again. We will continue our friendship. Take your rest my friend it has been a great life story. Class reunions, phone calls, meeting at The Great Magnificent Mount Bethel Baptist Church when you were in my part of the city. Oh what a blessing it was, hang in there Kim, children and family his spirit will live on. Rosby loved all of his children he would mostly reminisce about his beautiful daughter. I love that because I have three successful daughters. Thank God , Rosby has a lovely wife Kim and successors for children. Just like their Daddy my friend. Soooooo outstanding, intelligent, Brilliant, just an amazing JESUS filled hard worker for his family , church and community. Thank God. Your light will shine all over the world when you are raised right, Godly, knowledgeable, with great behavior. Amen
