“ Joel and I will greatly miss ROY. He was the first male friend that Joel ever knew after he came to my house. And always kept in touch with him through the years. May he rest in peace until we meet again....see you there.

“ Roy was a UL classmate. He and I and a guy named Charlie traveled by VW Beetle to San Diego, CA in 1975 to watch UL play in the Final Four. (we lost!)Despite cramped travel, he was very pleasant and fun! For 40 years I rode his 10 speed Nishiki bike after winning a bet that he could not lose 100 pounds in 6 months. To his great credit, he lost over 60 pounds!! I remember him fondly. Sorry I lost touch. He was a good man.

“ I am in shock. I just talk to Roy a few weeks ago and saw a face book post. He had told me he was in a center and didn't know his medical condition, but was his cheerful self. I will miss talking to him. He was a good friend from TARC. We may not talk a lot but I always knew i could contact any time. julie assef
