“ Bro. Streeter was one of my favorite customers at the Slack Shop. He always bought 4 or 5 pair at a time. I always enjoyed reminiscing with about those days back in the mid 1980's. I will certainly miss seeing him around town.

“ Bro. Streeter was such a kind spirited soul. He was one of those persons that you could always count on to be a friend and show concern. It didn't matter where he was, he would always make his way over to you and say hello . That beautiful smile would always warm my heart. May God welcome him into the kingdom so he can share to good word and show those dimples off. He will be missed. Rest my friend. Condolences to the family.and may God grant you peace in your time of sorrow.

“ I am privileged for having known him. I met Brother Streeter years ago at the Worthington Church of Christ. Every year he and his wonderful wife would attend the singing at our homecoming. He was truly a man of God. I will miss him much. I take comfort in knowing he is now where he always aspired to be -- with his Lord and Savior. I hope to sing with him again on that Great Day. I know that many prayers are being sent by Worthington to his family. Wayne Jenkins
