Tribute Wall

YS

“ Love you.. always.

Yolanda Sutton - October 02, 2019 at 06:15 PM

DS

Roy and I had many conversations over the last 3 years at the dialysis clinic. I became a friend to Roy. He most recently sat in the chair next to me. I miss him and have prayed for him when I heard he decided to give up on dialysis. God bless you, Roy. Now, pray for me.
