“ RIP my dear neighbor. Mr. Bell I'm going to miss coming home at night and not seeing you sitting on the porch. I guess I can turn my bright lights on my Jeep off. I will miss shining them on you every night and you covering your eyes telling me neighbor you going to blind me! We laugh about the same joke every night. I will miss your laugh and smile. I will miss sitting on the porch at night talking across the street. Good neighbor are hard to find sometimes. RIP my friend it has been a pleasure having you as a Neighbor. It's time for you to be a angel now. Watch over us at Liberty Green!
