“ *Sammy, I'm gonna miss your smile and funny spirit. I always enjoyed singing with you. You had a powerful voice and an awesome vocal range. You knew how to make a song come to life. A huge void is now in our tenor section of the MFC. It won't be the same without you. I'll do my best to carry on your torch. Renee you know I love you like my sister. We're here for you and the family.*

“ *Little brother, you came into this world having to fight at 2 pounds and 4 ounces, and you grew up having fun, met the love of your life, but also over the years God developed you into a true man of God. I am going to miss you, and miss the example that you had become for me of a "true worshiper." Rest well until I see you again. I love and miss you already.*
