“ Sarah was such a wonderful caregiver for my grandmother, Kitty Trompeter, and we were so grateful for her patience, kindness and care for her. Since Sarah has been at Mt Holly, my Mom and I have been visiting her for many years, and after every visit I walked away inspired by her beauty. She had such strong, strong faith, true love for her family, and such a beautiful joy in her smile. I will miss our visits with her but her memory will continue to inspire me to give to others as much as Sarah did. I know she is sharing her great smile and spirit in heaven now. My apologies for not being there at the funeral home. I was unfortunately out of town, and I was so sorry to miss expressing my thoughts in person. My thoughts and prayers are with you.
