“ *Shanae is a blessing from above. She always lit up the room and all those around her. I have the privelage of knowing her from Z Salon. Her smile is endless... I'm saddened by the news but I'm sure the heavens are glowing now that another angel has returned home. Praying for everyone. Much love during this time.*

“ *Shawne and family..i am so sorry for your loss. Shawne we always talked about our kids at papa johns and even when we saw each other after I left. You had a amazing pride about your girls when you spoke about them. I will be thinking of you and your family and will keep you in my prayers.*

“ *I wasn't close to Shanae, but you didn't have to be close to her to see who she was. I saw her stand with other bright-shining stars and she managed to shine even brighter than the rest. I could see that she warmed hearts with an exuberant smile and an exaggerated wave. One didn't have to know her well to see into her soul. That soul will live on forever, and I am not alone in saying I will always remember Shanae.*

“ I had the pleasure of meeting Shanae once. She was a very positive influence to my daughter Hannah as she moved 1800 miles away to Louisville to be a cheerleader at U of L. I want to thank Shanae for taking care of my little girl when I could not. My daughter is deeply saddened as they still kept in touch and Hannah is also going to aesthetic school. May the wonderful memories keep her alive in your hearts.

“ I knew Shanae from PJs, where i was going to cosmetology school and she was attending esthetics school. I did not know her and her family well, but i did get to talk to her and see her everyday. Just from the short time of knowing her, i found out how kind hearted, funny, outgoing, and extremely talented she was. She was never hateful, rude, or seemed to even have a bad day. I pray that this family and the close friends of her find peace in this time and know that she is and will always be with them. My condolences...
