“ 5 years today you took your last breath and God called you home. I still remember it just like yesterday when I got that call. From that day on my whole existence has changed & I have never been the same. The pain is still there but I've become numb. No amount of comfort can console me. Just know that somebody loves you Momma & you are not been forgotten.

“ I have so many memories that sharing one is so hard. When momma died you took her place. You listened to me and never gave me your opinion unless I asked for it. I'm gonna miss you cuzin! I have nothing but good memories. It's going to be hard not having someone to watch and discuss our favorite tv shows nightly for 4hrs! Who will remind me that Empire is coming on or If Loving You is Wrong is coming back on?!! David, Darrell' and Nicky, I'm here, just a phone call away. Nothing changes and I promised her that. Love ya'll ❤️❤️
