“ I remember when we had our young adults ministry. Those were the best times we learned so much from one another. I'll never forget when we the wives and ladies played against the husbands and the men a game of basketball at our picnic. I believe we won. Lol. Rest easy my sister in Christ with such a beautiful smile. Prayers for you young ladies. Sha, Nikki, Artrice and Z. She prepared you well and left many values, memories, and legacy.

“ *I will miss my cousin Elaine. We were just getting to know each other again after so many years and were recently making plans for her to visit me in SC. We bonded over the loss of our husbands and supported each other as we were trying to reach normalcy. We also bonded as family. I am hurt but so very happy that we reconnected. I will miss that smile and our conversations. Rest in Peace cousin.*

“ *Sharon Elaine Johnson that's who she was when I met her in middle school. she was a beautiful woman inside and out. I'm so glad God allowed our paths to cross. you are the true meaning of a ride to die in anything that your family or friends needed. I'm so glad you got to find love with your husband while here on earth, I know he is so glad he is with the love of his life once again but in an everlasting life. God blessed you with three beautiful young women and a beautiful granddaughter that will go to the end of time for you. You will be greatly missed my little sister. I'm still in shock over loosing you, but I know God knew best. Love you always and forever. your girls will be just fine we will all make sure of that. Fly high my angle and keep watch over all of us, until we meet again. Love you always.....Stacey Smith*

“ My sister, my friend...It's still hard for me to accept the fact that you are gone. We had so many more memories to make but Covid came in and stole you away from us. You fought a good fight love but God was ready for you to rest. I know Lamont was so happy to see you at the gates of Heaven. Get your rest Love, your job here on earth is done. “ I have no words to express a loss so great to our family, my niece was sunshine, always coming late to dinner with a thousand (what had happened was) reasons and that smile and that laugh, you couldn't keep a straight face long enough to be annoyed. I babysat her as a toddler, I wish I had that picture of her at about 3 or 4 she still looks much the same as a grandmother, all grownup. Our family will miss you. My life will not be the same without you. Rest in peace my beloved niece, there are angels waiting for you, your mom and dad, your Gran Lonnie and Lamont.
