“ *Dearest Family & Friends of Sheila. She was truly a beautiful woman both inside and outside. She was a hard worker and always willing to help. I met her back in the 80's, and we were both NCNW members. I have always considered her to be a dear friend over the years. I am praying God's comfort and peace over you during this difficult time and for the times ahead. My sister is in God's arms and at peaceful rest now. Love to you all.*
