“ *I have this woman all my life. She made a great impression on my family. She served as the Youth President for over 30 years at GFT under the late Dr. L. A. Ramsey. She was a mother to many young women and men who were motherless. I witnessed her spend her own money to make sure no child was left behind. She was my Godmother and one of my grandmother's best friends. I will miss her and her cooking. I love you and am praying for the family.*
