“ To Mrs. Dorothy Floyd ~ Praying for you and your family, and wishing you peace to bring comfort in all the joyful memories shared, courage to face the days ahead, and loving memories to forever hold in your heart. I also pray that in the midst of your grief you find comfort in knowing that someone as special as Mr. Floyd will never be forgotten. He was a wonderful and thoughtful Assistant Principal when I attended the Brown School from 1977-1981. I was very blessed to have him contribute to my mind/character development during my high school years. Alicia "Strother" Beatty

“ Shelley was Assistant Principal at the J. Graham Brown School located at the Brown Hotel and Brown Office Building on Broadway and 4th St. when I arrived as an AFS Exchange student from Sweden in the fall of 1974. He and Director Martha Ellison Shelley were the creative producers of a fantastic school that inspired and changed the lives of students and staff. While Martha was flamboyant and very expressive, Shelley worked with more delicate tools. His soft street skills, smiles, greetings and his listening, made me from an altogether different European school world, feel so welcome and instantly at home. He made a lasting good mark on me. I will always remember Shelley with great gratitude.

“ So sorry to hear about the passing of Shelley. I started teaching at the Brown School in 1972- part of the original staff. Shelley was great to work with. He always had great suggestions and was kind and considerate. He too was a positive factor in Brown's history. He will be missed.
