“ I have so many memories of Shelonda in high school. We would cut up in class together a lot. Her laugh was contagious. Then, when we both got older, we connected again, after we realized our little brothers were best friends in high school. My prayers are with the whole family. I know God is a comforter!Brown School Class of 1989

“ Still in disbelief... you're gone way too soon but you were "his" before you were "ours". I know God makes no mistakes, so there's no need to keep asking WHY? I pray that your family finds peace and comfort during this time. RIP BEAUTIFUL
