“ I want to send my condolences to the family, I know how much she meant and how special she was to her family. She was a beautiful person inside and out, I'm glad to have met her being around the family during the fun moments that was had at her family's house. You will truly be missed, fly high sweet angel!❤️

“ Fairy god granny! A woman that loved my baby like no other. I remember one night I watched her get ready to go out with her friends she put on a brown dress that hit all her curves just right. As I watched her put the last touches on her ponytail I remember thinking to myself. I'm gonna be just like her. Gorgeous inside and out fairy god granny you will forever be missed.
