“ I am shocked about the news of Ms. Sherrida. She was my next door neighbor for 11 years. We didn't talk much, but when we did, she was the most sweetest lady. My thoughts and prayers are with the family.

“ Sherrida was my lender in my recent condo purchase in February she was an amazing phenomenal woman to work with. She will be greatly missed!! I am so **THANKFUL** that I was able to meet and experience her in my life! May **GOD** watch over and keep her family, children, and co-workers. May she rest in peace. Heave has gained an Angel in her.

“ *Sherrida will surely be missed! I had the pleasure of meeting her and we later became roommates in the mid 90's. Since that time her loyalty as a friend has never wavered. She possessed the most selfless heart that I've ever known, always willing to help with no expectations. To Michael and Brandon it was not possible for you to have a more devoted and loving Mother. Tonya, Eric and Keith, I'm sure you realized early on what a treasure you had in your big Sister. To know Sherrida was to love her and many lessons on how to love could be learned from her. I thank God our Father for such an enduring friendship.*

Love Always Sherrida!!

“ *My thoughts and prayers are with the family. Ms. Sherrida helped me purchase my home in 2002 and she was currently working with my daughter on her home purchase. Ms. Sherrida became not just a mortgage loan officer but a family friend.... she was a gift to the community.*

“ Our work family is forever changed. Life just isn't complete if you have never had a Sherrida in your life. She had the brightest smile. The most encouraging words, and her laughter was contagious. She was so adventurous. She was so full of excitement for everyone around her. The room lit up when Sherrida arrived. She was kind to everyone. She worked harder than anyone I know. She helped the helpless and showed even the most down hearted people, that they meant the world to her. She worked hard, She played hard. She sang happy birthday better than anybody else. And the night we were stuck in Miami, she introduced me to the “hood” in Sherrida style. She knew how to pack six bags for a three day trip. Her loss makes me cry like a baby. Our world lost one of God’s best creations yesterday and the hole in our hearts can never be repaired. Fly high angel, And know how loved you are!

“ I remember Michael talking about his mother so many times, I knew they were so close. When I finally met Sherrida she was a ball of fun. You could tell the love in that family was real. I could also tell were her son had got all his manners and personality from. She was such an amazing person her loss will effected us all. Prayers to the Family for their loss.
