“ *Shirley, I will miss you so much!!! I think back over the many years and the fun we had and the long conversations we had sitting on the porch. I called you "my next door mama". You were so kind and always had encouraging words for me and sometimes I didn't like the guidance and advice you gave me but I finally realized it was out of love and trying to keep me focused on my goals. I am so fortunate to have had the pleasure of your friendship and becoming a part of your family and you also welcomed Clayton into our family with open arms. I will never forget you and I love you dearly. Rest in peace sweetie until we meet again. Clayton & Irma Rose*
