“ So sorry for your loss. Shirley and I went back over 50 years. Though I no longer live in Louisville, God made it possible to see her before all the treatments. May God have a blessing on your family

“ Marlon and Kevin, we are so very sorry to hear of Shirley's passing. Please know that we are praying for you and are here if there's something we can do. No more suffering, no more pain, no more hospitals. She's with God and is now at peace. Love and blessings.

“ Words can't explain the void that's in heart with the passing of Shirley. I know she's in a better place. Shirley and I had a very close bond. We have been through the good, bad and the ugly, through it all we always had each other's back. Marlon, Kevin and Montra we all loved her and miss her. I do thank God for the love he allowed me and Shirley to have over 40 years. She is gone but she will always be in my heart.
