“ *Dear Cousin Marie,*

We miss you already. I pray that God comforts your children and grandchildren as they celebrate your homecoming. Please tell my Mama, Aunt Sis and Aunt Ollie May we're doing our best to Keep God in our hearts and to be worthy of the legacy of Strong and Generous Women. I'll always remember how happy we all were when you and bub and chip and jasmine came to Chicago to visit. I love you now and forever, Tequania 'quana' Sutton-Hunt.
