“ Simone has been my close friend for over a decade. God was so gracious to give you to me and to the world, Simone. I miss our daily phone talks and regular texts. I know you're sweet spirit is still with me and enjoying the birds and deer as we sit as onlookers on the back deck. We are still eatin' peaches together! Love you forever - Lydia

“ Simone was one of the kindest and most gracious classmates I had at Columbia Seminary. It saddens me deeply to read that she has passed, but her impact is deep. May God Bless her family.

My beautiful cousin, we will never forget you. Your memories will remain with us forever. Your beautiful smile will be missed, and you will stay in our hearts forever.

I know you are resting in the arms of Jesus. I will see you some day in Heaven. Let's meet by the river over on that beautiful shore.
