“ I remember being 14 years old in Atlanta for the first time and she was present; two years later we were able to share wholesome fellowship in Marietta, GA. I appreciated our times together although they were always short. My favorite cousin, Stephanie.

“ Stephanie became my best friend the FIRST day sh started at Humana back in 2014! We clicked and had the best friendship outside of work! We dealt with the same “boy” issues, survived those together. She picked me up when I was down. She read me before I could read myself! We have so so so many memories that I could share but I won't. I miss her so much, every damn day! I consider her my sister and her boys were such amazing boys and did everything for their momma and she did everything for them! I learned so much about being a mom from her! I miss my friend so much and will continue to be part of her boys lives no matter what!
