“Trey for as long as I’ve known you, you have been a beautiful soul. As a child, whenever I saw you were happy. As I watched you grow, nothing changed. Your smile would light up a room. Your sense of humor was so funny. Your love of family made you the man you were. We are going to miss you Trey. You have impacted so many with your smile and humor. We love you Trey. We will miss you until we are reunited with you.

To Steve and Detra thank you for sharing Trey with us. He made our lives brighter. We will be praying for you both and your families. May God and His Word comfort you during this time. Kayla be strong. Mya, we are praying for you and your recovery.

We love the Starks and Coleman family. We are here for you during this time and always. We are family.

Love,

Cedric and Tiffany Bridges
