“ Denise and your family members, please accept my condolences and those of my sister, Judy Wilson in the loss of your mother. Your parents and my parents were classmates at Kentucky State with your parents, we attended the Garden Club Breakfasts on New Years Day with your parents and they were wonderful persons to celebrate the beginning of the new year. I just looked at Cotillion pictures with Judy and you in 1969, the choreographing the Men's cotillion..in which you and your mom attended...she was a beautiful and caring woman and educator. She will always be with you and she made you and outstanding legal/judge and someone I enjoyed knowing and a woman that my late mother truly enjoyed knowing and interacting with socially Keep your memories close to you as she will always be close t your heart and soul.
